

Stoke Road Surgery PPG: Chairman's Report 2015/16

- Annual General Meeting 05/03/15. Officers re-elected and plans are put in place for an Autumn Health and Well Being Event to be held at Cleeve School. Elderly Group prepares local information packs, supported by the Surgery.
- Third Annual Patients Meeting 13/05/15. 'One Hospital with a Long Corridor.' Approx 100 patients attended a presentation by Dr Sally Pearson, Director of Clinical Strategy, Gloucestershire Hospitals NHS Foundation Trust. Heather Beer, Head of Patient Experience supported. A solid connection and understanding of the delivery of hospital services across the two - site Trust was made.
PPG member Peter Badham provided a second half presentation of Pharmacy First. Dr Jim Moore outlined emerging plans for a premises construction expansion.
- Cleeve School/Stoke Road Surgery Health Promotion Event held at Cleeve School 15/10/15, 10.30am until 3:00pm. Practice Doctors and Nurses, supported by PPG members, hosted a drop in opportunity for approximately 500 students. This event, designated for years 11-13 was particularly well received.
- 12/01/016 PPG Committee founding member Mike Otter steps down for a household relocation. Mike and Shirley Hall join the committee. Founding and especially active Committee member and Secretary Doreen Dyer, steps down. Appreciation and tributes expressed to both of the retiring committee members.
- 22/01/16 Gloucestershire Patient Participation Group Network/CCG event. Primary Care Strategy outlined, including Premises development in each locality.

Paul Holliday

Chairman, Stoke Road Surgery PPG
